### **Kindergarten, First Grade, and Second Grade**

It's your time to VOTE for your favorite Virginia Readers Choice book! Listen to the book and vote for your favorite!

Read [What If... by Samantha Berger](#) and then [Vote here!](#)

**Art - Courtney\_Day@ccpsnet.net**

Make a family of [Pet Rocks](#)!

Lie on the ground and look for shapes in the clouds! They'll all be organic shapes, right?!

Take your paper and crayons outside- Find a flower, sit in front of it and draw it without picking it!

Use your "naked crayons" to make a colorful, [overlapping leaf rubbing collage](#). Will you use a variety of leaves, or all of the same kind?

Do you have a spot to do a tree weaving? Old t-shirts make great weft material!

### **Look out of the window- take in all that you see! Focus!**

1. Draw one thing that you see. (Is it from nature, or man-made?)
2. If you see a bird, draw a birdhouse hotel that he might like to visit!
3. Review visual texture: Draw 4 squares on your paper: focus on the texture of tree bark and draw it in one box. Find 3 more textures to draw.
4. See how many different shades of **green** you can spy! Make up a name for each one.
5. Imagine you just got a new playset.. Design what you would like it to include!

What instruments can you make with things from around your house? [Look here for ideas!](#)

Check out [Chrome Music Lab](#) to compose your own song or rhythm!

Learn about the instruments of the orchestra with [this video](#)!

The [New York Philharmonic](#) has tons of music games! I love the instrument matching.

[Watch Alan Menken](#) play all of his favorite compositions! Which one is your favorite?

Can you beatbox? [This girl](#) (and a special guest) can show you how!

[Whack-A-Note](#) is great practice for notes on the staff!!

**Physical Education - Tracy\_Manchester@ccpsnet.net**

Just have fun and move! Try to get outside and move continuously for 30 or 45 minutes each day!

**Balloons**

Keep it Up - how many times can you keep the balloon up by hitting it? How many different body parts can you use? Try balloon volleyball

**Noodles**

1. Use 2 or more full size noodles. Each person has their own! Start close to each other and balance noodles on their ends. Let go and switch noodles! Try to get to the new noodle before it falls.
2. Play tag with cut noodle. Tag (gently!) with noodle. If tagged, you're it!
3. Noodle partner "Battle" with cut noodle. Each time you tag your partner shoulder or below, you get a point!

**Go for Walks/Jogs:**

1. Ask someone to time you running a designated distance or to the end of the road and back!
2. Try an interval exercise. Walk and then run or jog for 1-3 minutes then walk again.

**Sidewalk Chalk:**

1. Make an obstacle course on your driveway. Add equipment to make it more challenging! Try over, under, around, through, and between
